General Information

LOCATION—Salina is easily reached—located on famous U.S. 81, which extends from the Canadian border to the Gulf.

TERMS—Cash. Settlement must be made with the clerk immediately at the close of the sale. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars and trucks in compliance with instructions from purchasers.

GUARANTEE—Standard guarantee approved by American Shorthorn Breeders' Association will apply. A registry certificate and signed transfer will be furnished with each lot sold. Footnotes where they appear are consignors' statements. Neither the Sale Manager nor the clerk of the sale assumes any liability, legal or otherwise, and neither the Kansas State Shorthorn Breeders' Association, the Kansas Polled Shorthorn Society nor the Sale Manager will be responsible for any accident which may occur, but we shall make every effort to provide the safety and comfort for our sales guests.

BIDS—Those wishing to buy but who cannot be present may leave with or send their bids to the Sale Manager, Milton H. Nagely, Abilene, Kansas; to Auctioneers, Dick Kane, Wisner, Nebraska, and Jake Ulrich, Luray, Kansas; to Ted Aegerter, Field Representative of the American Shorthorn Breeders' Association, Seward, Nebraska, or to the Press Representatives, Jim Orton, Kansas Stockman, State Building, Topeka, Kansas; Mike Wilson, Kansas Farmer, Muscotah, Kansas; Mervin F. Aegerter, The Shorthorn World, Seward, Nebraska.

Announcements from the auction box will take precedence over printed matter in the catalog.

Study the pedigrees in this catalog. Both Polled Shorthorn and Shorthorn cattle in this sale are of good quality and breeding. The Mil-Nita Shorthorn females are almost all dehorned. This is almost a dispersal sale for them. Many of the young heifers being offered in this sale will make outstanding 4-H projects. This sale offering is made up of unfitted cattle—cattle that are in their every day clothes, the kind of cattle that will prove out well for the buyer. This offering is large enough where you can select a number of females. The commercial sale, following, will give any one interested in good shorthorns a chance to add to their herd or start a new commercial herd of Shorthorns. Hope to see you in Salina, Saturday, December 8. Remember they weigh more if they are Shorthorns. You sell beef by the pound.

Milton H. Nagely, Sale Manager.
